

CTA “Take Action” Hotline

Call the Governor and your State Lawmakers today!

Tell them: Don’t Suspend Prop. 98

1-888-268-4334

- If you are calling from your home landline phone, the toll-free number will connect you automatically to your Assembly member or State Senator.
- If the hotline cannot read your number, it will ask you to enter your zip code and then you will be connected.

Once you are connected...

- Ask to speak to the Assembly member or Senator. If he/she is not available leave a message with staff or record a message on the answering machine.
- Be sure to identify yourself as a constituent living in the district as well as a classroom teacher/education support professional/college instructor.
- Leave your contact information so they can get back to you.

Use these talking points as a guide for the conversation.

- Do not suspend Prop 98! Protect the state’s minimum school funding law.
- Cutting another \$3 billion from schools would have a devastating impact on our students, public schools and colleges. (Give local examples).
- The Governor’s call to suspend the state’s minimum school funding guarantee is unacceptable.
- California public schools have already been cut by a record \$12 billion!
- Any approach to solving the state budget crisis must include increased revenues.
- It is time to rescind the corporate tax breaks handed out earlier this year!
- Big Oil and Big Tobacco need to pay, too!
- Stop the political games! The partisan politics and gridlock are destroying our state. Lawmakers and the governor need to pass a state budget now!

Then, call the Governor at one of his offices!
