WELCOME TO

Your Union.

We Advocate Together

CCA advocacy and professional development programs benefit students, as well as full-time and part-time faculty.

CCA's advocacy efforts have:

- Stabilized community college funding through Proposition 98, which guarantees education dollars to community colleges every year.
- Won monumental increases in CalSTRS benefits for our members.
- Secured part-time healthcare benefits and re-employment rights legislation.
- Expanded the number of full-time faculty statewide.
- Designated funding for part-time faculty office hours.

PART-TIME FACULTY VICTORIES

As the driving force advocating for part-time faculty compensation, health insurance, and paid office hours, CCA is committed to achieving equity for all part-time faculty.

Here are just two ways we are leading the fight:

- AB 190 expands current part-time faculty health insurance programs and incentivizes districts by providing up to 100% reimbursement for health care costs. This empowers CCA local unions to bargain expanded access to healthcare benefits for part-time faculty.
- We worked together in our union to file a lawsuit against Long Beach City College (LBCC) for failure to pay minimum wages to adjunct teachers. This lawsuit was recently expanded to a class action to include over 850 impacted LBCC faculty. We'll continue to advocate for all faculty to receive fair and just compensation for their work.

OUR BENEFITS

In our union, we pool our resources together and can access discounts and benefits exclusive to CCA and CTA/NEA.

We Celebrate Equity

California Community Colleges are among the most diverse in our country, and we believe that is worth celebrating. That's why CCA is proud to have initiated its Faculty Equity and Diversity Awards for outstanding service on behalf of community college faculty.

- **LGBTQ+ Award** recognizes faculty who have supported, promoted, and educated our community college family regarding LGBTQ+ issues.
- **BIPOC Award** is given to faculty who promote equity on campus for members of the Black, Indigenous, and Other People of Color (BIPOC) communities.
- **Part-Time Faculty Award** is awarded to faculty who have worked to improve working conditions for part-time faculty.
