

2024-2025 CTA Dues Calculation

Formula is defined in Article XIV of the CTA Bylaws

Step 1

3-YEAR AVERAGE

% change in average statewide teachers' salary during the last three fiscal years

2020-2021:	1.4%
2021-2022:	4.0%
2022-2023:	7.4%
3-yr average:	4.27%

Step 2

NET APPLICABLE DUES

Last year's Category I dues minus dues allocations not included in annual adjustments

2023-2024 Cat I Dues	\$ 786
Minus:	
Advocacy/Foundation	(20)
Initiative Fund	(36)
Media Fund	(16)
Net Applicable Dues	\$ 714

Step 3

CALCULATE 2024-2025 DUES

Multiply the Net Applicable Dues by the 3-yr average then add to last year's Category I dues

Net Applicable Dues	\$ 714
x 3-yr average	4.27%
Calculated Dues Increase	\$ 30.49
Rounded down	\$ 30
2023-2024 Cat I Dues	\$ 786
2024-2025 Cat I Dues	\$ 816
