INTRODUCTION

Congratulations on your role as a chapter Membership Contact! This is one of the most important roles in the chapter as updated, accurate membership information is critical to building a strong local chapter. Correct and current membership information also helps in chapter planning so members can be contacted for activities, meetings, and other organizing events.

As member contact information changes or members move work locations within the district, it is important to use the membership apps and tools discussed in this handbook to update member records. Also, as the local has elections or appoints members to leadership positions, those positions need to be recorded in the membership system to ensure those members receive all communication from CTA regarding their leadership roles. Lastly, it is important to learn how to sign-up members, communicate membership information to the district, CTA and your site representatives and officers to keep everyone up to date with current membership roster information.

CTA has developed a local membership management tool to help in your role. CTA 360 is a mobile app that can be downloaded to a cell phone or tablet, and CTA 360Pro is a secure website available to you to access your local membership data. Membership Contacts and other local leaders can use CTA 360 and CTA 360Pro to view and update their chapter's membership roster in real time, including member contact information, work location changes, chapter leadership roles and even enroll new members! To learn more about how to use the full capabilities of CTA 360 and CTA 360Pro, visit the dedicated help sites <https://www.cta.org/membership/cta360> and <https://www.cta.org/membership/cta360-pro>.

This handbook will provide you with the information you need to be successful in your role and we encourage you to thoroughly review this document, coordinate your activities based on these best practices and reference the handbook to explain membership policies and practices to leaders and members alike.

Be sure to visit the dedicated website for Membership Contacts and local leaders at www.CTA.org/Membership. At this site, you will find all the tools, resources, and contacts you need to be successful in your role. Also, each local chapter has a dedicated CTA Membership staff person assigned to support you; they can be reached at 650-552-5278 or Membership@CTA.org.

The definition of administrative or supervisory status in higher education units shall be determined by the governing body of the local Association chapter.

Active Full Time - Category 1

Active Part Time - Category 2A

For those faculty whose teaching assignment is greater than 1/3 but not more than 50% of a normal assignment.

Active Part Time - Category 2B

NOTE: Article III, Sec. 2, d – Anyone admitted to any category of membership in the Association must also become a member through the payment of dues both in the chapter serving the area or level in which they are actively employed and of the National Education Association.

Those eligible for membership in more than one school district shall be enrolled in their primary place of employment.

* Category placement is determined by the local chapter and based on the percentage of teaching assignment.

ASSOCIATE - Associate membership shall be open to any person who is interested in advancing the cause of public education but who is not eligible for any other class of membership in the Association. The different types of eligibility and services for such membership shall be prescribed in the CTA Standing Rules.

Administrative and supervisory personnel are eligible for CTA Associate membership. The dues level for Associate members is based on the full CTA and NEA Category 1 dues for the membership year for which they are eligible. Local Associate membership is available when the local chapter by-laws provide the same.

CTA Associate members shall be eligible for continuing participation in the economic services program of the Association, including payroll deductions where necessary, and shall receive the official publication of the Association.

Non-Bargaining Unit Members must make arrangements with their district/employer to deduct their CTA/NEA Associate dues via payroll deduction or payment in full is required.

CTA/NEA RETIRED - Any person who is or was a member of the Association and who is a qualified applicant for or recipient of service or disability retirement allowances from a public or private retirement system may become a member of CTA/NEA-Retired.

Active members who will be retiring should be encouraged to continue membership as retired members, especially if they participate in any of the economic services offered by CTA or NEA sponsored vendors. Participation in such programs requires continuous membership.

CTA/NEA-Retired	Annual	\$ 85.00
	Lifetime	600.00
	Monthly	5.70 (via Cal STRS/ PERS only)

Annual and Lifetime dues may be paid by personal check, monthly through member's STRS or PERS benefit check, or online at <https://www.cta.org/for-educators/meet-cta/retired-3>. Questions regarding retired membership should be referred to CTA-Retired@cta.org or 650-552-5439.

Any teacher joining CTA/NEA as an Active member during their first year of eligibility can request a rebate of Aspiring Educator dues paid; \$10 per year up to five years for CTA and \$20 per year, up to four years for NEA. For questions about CTA Aspiring Educators rebates, contact cta-ae@cta.org.

Students may enroll in one of two ways:

1. Online with a major credit/debit card at <https://www.cta.org/for-educators/meet-cta/ctaae>.
2. Complete a CTA Aspiring Educators enrollment form and send with check or money order for full annual dues to the CTA-AE office, P.O. Box 921, Burlingame, CA, 94011-0921.

CTA EDUCATION SUPPORT PROFESSIONALS - In June 2006, CTA State Council of Education held a historic vote that authorized full membership rights for all ESP members in California. This group is comprised of eligible classified employees in each school district.

MISCELLANEOUS LOCAL MEMBERSHIP – The Miscellaneous Local allows individuals to maintain CTA/NEA membership while employed in public education but not represented by a bargaining contract. There are several eligibility requirements that need to be met for an individual to qualify under the Miscellaneous Local.

Common examples of Miscellaneous Local members may include:

- Unpaid Leave of Absence
- Ongoing Group Legal Services
- Substitutes (No Local Representation)
- Public Charter School Teacher (Not Represented by CTA)

Additionally, the category of Associate Membership is available under Miscellaneous Local for any person who is interested in advancing the cause of public education but who is not eligible for any other class of membership in the Association.

Miscellaneous Local membership inquiries regarding Group Legal Services should be directed to the CTA Primary Contact Staff.

For any other Miscellaneous Local membership inquiry, please contact CTA Membership at 650-552-5278 or membership@cta.org.

PRO-RATED MEMBERSHIP DUES

After the beginning of any membership year, the dues of Active members who are enrolling for the first time may be prorated, provided enrolling by payroll deduction if such deductions are available or by any one of the other payment methods approved by the Board of Directors. Cash payment may also be accepted for the balance of such membership year for any member who previously enrolled through a payroll deduction.

MAINTAINING CONTINUOUS CTA MEMBERSHIP

Concern for our members is of the utmost importance. We highly encourage you to inform your local members that go on a leave of absence about the invaluable benefits they may be jeopardizing by not maintaining CTA membership. Maintaining membership during a leave of absence is critical because:

- Participation in the CTA Group Legal Services Program requires membership at the time the incident occurs and requires that membership be maintained while legal assistance is being provided.
- Members will keep their eligibility and continuous years of service for Member-Only benefits
- Members who take advantage of CTA's insurance programs can continue their coverage at CTA exclusive rates and without coverage interruption.

CTA recommends that active members maintain their membership while on an unpaid leave of absence. Members can maintain their membership and benefits while on a LOA at a significant discount, **Category 3A** dues rate. Members would pay these dues by making arrangements with the local before their pay ceases.

Members opting not to continue active membership while on unpaid leave will be transitioned in the CTA membership database (CTA 360/Falcon) to a **Non-Member** status with a category of **No Deductions**. As the individual is still part of the bargaining unit, they will remain on chapter rosters so leaders can track them and invite them to retain their membership once they return. CCA members converted to this category will receive an email notification with an option to remit dues to CTA to continue Active membership.

CONTINUITY OF MEMBERSHIP

To support local organizing efforts and to reduce local administrative burden, CTA's practice is to allow for the reinstatement of formerly Active members that ended their membership less than one year prior in the same local, regardless of the original signature date. See examples below.

This also applies to temporary employees represented by the bargaining unit. They do not need to re-enroll if a new contract is signed within one year of the last Active membership.

Examples:

- John Smith was an Active member with Staff Teachers Association from 9/1/2018 to 11/30/2020. He took an unpaid LOA from 12/1/2020 to 2/28/21 in the same local. He can be reinstated as an Active member as of 3/1/2021 without requiring a new enrollment form. The local needs to tell the district to add John Smith to the payroll deduction register as a CTA member.
- Jane Doe was an Active member with Staff Teachers Association from 2/1/2016 to 2/28/2020. She took an unpaid LOA from 3/1/2020 to 4/30/2021 and did not maintain her membership. She returns to the classroom as of 5/1/2021. She must complete a new enrollment form to re-join as an Active member and resume payroll deductions for dues because she was gone longer than 12 months.

MEMBER VS NON-MEMBER

An Active member is any current bargaining unit member who has signed a CTA Membership Enrollment Form and is current on dues payments. Full Union benefits and representation are available to all Active members.

Non-Members are all other bargaining unit members. Non-Members are identified in the CTA membership system using the following categories:

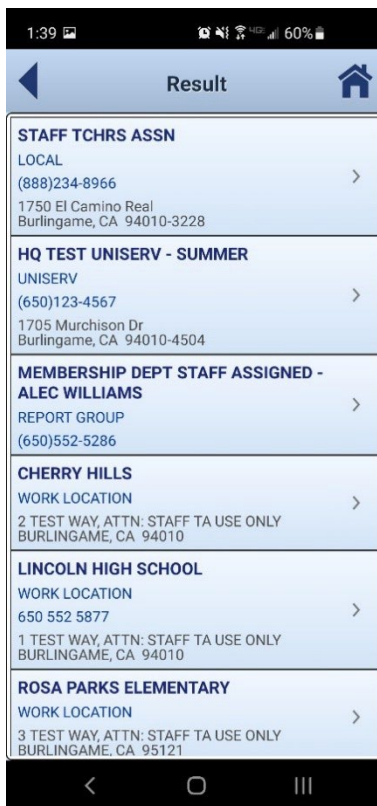

1. **POTENTIAL** – This is a bargaining unit member who is eligible to become an Active Member but has not joined.
2. **NO DEDUCTIONS** – This is a formerly active member, but dues deductions have stopped for an unknown reason. The local, in coordination with the District and CTA membership need to verify the status of these individuals. It could be a payroll error, or the person left the district.
3. **DROPPED** – This is a previously Active member who voluntarily and officially dropped membership.
4. **FORMER FEE PAYER** – These are Agency Fee Payers of record as of the Janus ruling June 2018 and eligible for active membership.

CTA 360 AND CTA 360PRO FOR LEADERS

CTA 360 and CTA 360Pro are free-to-use tools available for local leaders. The tools are integrated – an addition or update of member information in one tool is reflected in the other in real time and can greatly assist local leaders in member engagement and organizing activities. These tools provide an easy way to verify and update member and non-member information by allowing a leader to update the information through the mobile application or via a web browser.

How To Access - CTA 360 and CTA 360Pro access must be authorized by the chapter president. Access is always given on an annual basis, and automatically terminates August 31st of each year or when the leadership position ends. Access must be renewed annually with permission from the chapter president. Each summer, chapter presidents are sent and tasked with reviewing the list of local leaders whose access should be extended for an additional year.

CTA 360 – CTA 360 is a mobile app available for local leaders on mobile devices and tablets. CTA 360 provides the ability to search, view and update member and non-member data within the local, enroll new members, and convert non-members to active members. Local leaders can also view local organization information, and access graphical reports to view the member and non-member counts, as well as identify new members who yet to complete the New Member Survey. To learn more about the full capabilities of CTA 360 and how to request access, visit www.CTA.org/Membership/CTA360.

CTA 360Pro – CTA 360Pro is a secure, dedicated website accessible from any internet browser on a desktop/laptop. CTA 360Pro users will be able to search, view and update member and non-member data within the local, view and update local leadership information, and request membership cards. CTA 360Pro provides additional reporting functionality with more detailed reports such as full member roster, building lists, mailing labels, leadership rosters, voter rosters, and more. To learn more about the full capabilities of CTA 360Pro and how to request access, visit <https://www.cta.org/membership/cta360-pro>.

LEGISLATIVE UPDATES

JANUS v AFSCME – FAIR SHARE FEES

The Supreme Court of the United States (SCOTUS) overturned 41 years of precedent on June 27, 2018, ruling the collection of fair share (agency) fees unconstitutional. Fair share fees were previously collected by fair share locals from bargaining unit members that chose not to join the union but received the benefits (wages, benefits, and working conditions) of the collective bargaining process.

Given the SCOTUS decision, CTA provided notice to districts, locals, and fee payers that dues only be collected from members after the SCOTUS decision. Districts and locals must work collaboratively to ensure payroll deductions only be collected from Active members.

LEGISLATION TO HELP MEMBERSHIP RECRUITMENT AND ORGANIZING

SB 866 –This legislation impacts how employers communicate and interact with employees regarding union membership and dues. SB 866 allows the local chapter to represent to the district who are members of the union by providing a written report or roster of members. A signed membership form may still be provided but is not required.

SB 866 also prevents the school district from discouraging employees from joining the union, discussing the cost of union membership, and stopping union membership dues deductions without being instructed by the union.

AB 119 – This legislation impacts how employers communicate and interact with the local chapter regarding union members. AB 119 requires the district to allow the local chapter access to new employee orientations. Districts must generally give 10 days notice prior to the orientations, and upon request, must negotiate regarding the structure, time, and manner of access given to the local chapter.

The district must also provide the local chapter with employee personal contact information for employees within the bargaining unit. The district is required to provide the contact information for new employees within 30 days of hire, and is required to provide the contact information for all members of the bargaining unit every 120 days.

Please work with your CTA Primary Contact Staff to develop a plan to utilize these laws to better organize and engage your members.

ENROLLMENT FORMS AND INSTRUCTIONS

CTA Online Enrollment

CTA offers online enrollment for locals to use as part of organizing and member recruitment planning.

Online enrollment is for potential members and current members who are transferring from one local to another or joining multiple chapters. Enrollees will need to search for their CTA record, verify eligibility by confirming a few basic eligibility questions, complete the entire form, electronically sign and submit in order to complete the enrollment process – it takes approximately 5 minutes. You can share the link during virtual orientations or email it to potential members.

New members will receive a confirmation 'Welcome Email' with member benefits information, a temporary membership card, and chapter leadership information the day following enrollment.

The Chapter President, Membership Contact, CTA PCS, and CTA Membership Staff person will receive a weekly email report of new online and CTA 360 enrollees. **Chapter policies must ensure this notice is provided to the district with instructions to begin payroll deductions.**

The link to join CTA is <https://join.cta.org/>

FAQs

• Q: Do I still need to complete a paper enrollment after filling out the online form?

No, there is no need to complete a separate paper enrollment form. The membership is automatically saved once the member accepts CTA's terms & conditions, enters their electronic signature, and clicks 'Enroll'.

• Q: Paper enrollments have a member copy they can keep for their records when they enroll. How can members get a copy of their online enrollment?

After enrolling online, new members will receive an email confirmation of their enrollment within 24 hours. This confirmation will provide each member with a link to their completed enrollment form, that they can view or print for their records.

• Q: Should we now direct everyone to the online enrollment form?

The online enrollment is an easy way for members to enroll with CTA. The paper form and the ability to sign up with face-to-face contact on the CTA 360 mobile app is still available.

• Q: How does the district know to initiate payroll deductions once a new member completes their online enrollment?

On a weekly basis, the CTA Membership Department will provide to the Chapter President, Membership Contact and CTA staff person via email, a list of new members who completed the online enrollment form the previous week. Forward this information to the district payroll office in a timely manner, so monthly payroll deductions can begin.

• Q: I provided a list of new members who enrolled online to my district payroll office, but they are asking for a copy of a signed paper enrollment form before they initiate deductions. What do I do?

Per Senate Bill (SB) 866, the employer must accept the information provided by the union on dues deductions for employees. However, if you wish to accommodate the district's request, A copy of the form can be downloaded from the member profile by clicking on the CTA Enrollment icon.

• Q: We have been entering non-members for our local into Falcon. Can they enroll online or is this just for brand new members that we have not entered at all?

Non-members as well as brand new individuals can utilize the online enrollment form. If an individual is not found in Falcon, a brand-new profile and new membership will be added. If an individual is found (ie: a current non-member that has been entered into Falcon), they will be able to update their contact information and enroll as a member.

INSTRUCTIONS FOR COMPLETING PAPER ENROLLMENT FORMS

Enrollment forms are used for enrolling new members, members returning from leave and/or members changing Districts/Locals.

PAYROLL DEDUCTION

Member completes, signs and dates enrollment form. Completed forms should be forwarded by site representatives to the Membership Chairperson. Site Representative gives fourth copy of the enrollment form to member as proof of membership. Pro-rated dues may be available after the beginning of the membership year for members joining the Association for the first time.

CASH PAYERS

Member completes enrollment form and issues check payable to the Local for full, unified dues. Site Representative gives fourth copy of form to member and collects check for payment of annual dues. Members may pay pro-rated dues by check providing a payroll authorization is completed for subsequent membership years. Site Representative forwards enrollment forms and checks to Membership Chairperson.

DISTRIBUTION OF ENROLLMENT FORM COPIES

1. Membership enrollment forms are generally printed in multiple copy form. The first copy of the form is sent to CTA Membership Accounting. Before forwarding the forms to CTA, check to be sure that the **membership enrollment form is correctly and completely filled out and signed.**
2. Second copy to school district payroll department. It is critical that the payroll department receive notification of new memberships as soon as possible.
3. Third copy to local association for its files.
4. Fourth copy given to member at time of enrollment.

The best practice for chapter enrollment form records retention is to maintain a copy of the enrollment form while the member is employed by the district or a change in their status with the Association.

See “How to Complete the Member Enrollment Form” for details on the various components of the new enrollment form.

Do not use prior versions of enrollment forms. Use only the forms on the following pages as the Terms & Conditions may be updated. Please discard/recycle old, blank forms.

NEA FUND DEDUCTION AUTHORIZATION (Optional)

I agree to contribute \$_____ annually to the NEA Fund. The NEA Fund for Children and Public Education (NEA Fund) collects voluntary contributions from Association members and uses these contributions for political purposes, including, but not limited to, making contributions to and expenditures on behalf of friends of public education who are candidates for federal office. ** See reverse for more information.

CTA/ABC & INDEPENDENT EXPENDITURES ALLOCATION (Optional)

Designated portions of CTA dues are allocated to the Association for Better Citizenship (CTA/ABC) and to Independent Expenditures (IE) through which CTA provides financial support for education-related issues (CTA/ABC) and CTA-endorsed bipartisan candidates for local and state offices (CTA/ABC and IE). All members who are U.S. citizens or lawful permanent residents are eligible to contribute to CTA/ABC and IE.

- Please indicate if you choose not to allocate a portion of your CTA dues to the CTA/ABC and the IE account and/or if you are ineligible to do so due to immigration status, and you instead want all those dues to remain in CTA's general fund.

CTA VOLUNTARY CONTRIBUTION

All CTA dues include a \$20 voluntary contribution per year to help fund CTA advocacy efforts and fund the CTA Foundation for Teaching and Learning, which provides scholarships to members and supports teacher-led efforts to improve public schools. MEMBERSHIP, DUES PAYMENT AND DUES DEDUCTION AUTHORIZATION

YES, I want to join with my fellow employees and be a committed member of the Local Association, the California Teachers Association (CTA), and the National Education Association (NEA). I hereby request and voluntarily accept membership in these associations and agree to abide by the Constitution and Bylaws of all four associations, as they may be amended from time to time. I support the Local Association in its role as my exclusive representative in collective bargaining over wages, hours, and other terms and conditions of employment.

I hereby (1) agree to pay annual dues uniformly required for membership in the Local, CTA, and NEA in consideration for the services they provide; and (2) request and authorize my Employer to deduct from my pay in each pay period, and transmit to CTA or its designated agent, a pro rata portion of the annual dues required for membership in the Local, CTA, and NEA, unless I pay dues by check. I fully understand that the dues required for membership in the four associations are subject to periodic change by the associations' governing bodies and authorize dues payment on a continuing basis, and regardless of my membership status, unless my obligation to do so ends under one of the circumstances below. This agreement to pay dues continues from year to year, regardless of my membership status, unless: I revoke it by personally sending a signed written notice via U.S. mail to CTA Member Services, P.O. Box 4178, Burlingame, CA 94011, not less than thirty (30) days and not more than sixty (60) days before the annual anniversary date of this agreement; my employment with the Employer ends; or as otherwise required by law.

MORE INFORMATION

*By providing my phone number, I understand that the NEA and its affiliates including CTA, CCA, the Local, NEA Member Benefits, and NEA360 may use automated calling technologies and/or text message me on my cellular phone on a periodic basis. NEA and its affiliates will never charge for text message alerts. Carrier message and data rates may apply to such alerts. Text STOP in response to an NEA, CTA, CCA, or Local text message to stop receiving the association's messages.

**Only U.S. citizens or lawful permanent residents may contribute to the NEA Fund. Contributions to the NEA Fund are voluntary; making a contribution is neither a condition of employment nor membership in the Association, and members have the right to refuse to contribute without suffering any reprisal. Although the NEA Fund requests an annual contribution of \$50, this is only a suggestion. A member may contribute more or less than the suggested amount, or may contribute nothing at all, without it affecting his or her membership status, rights or benefits in NEA or any of its affiliates. Contributions to the NEA Fund are not deductible as charitable contributions for federal income tax purposes. Federal law requires political committees to report the name, mailing address, occupation, and name of employer for each individual whose contributions aggregate in excess of \$200 in a calendar year.

PAYROLL DUES REMITTANCE INSTRUCTIONS

PAYROLL DUES REMITTANCE PROCEDURES

CTA maintains a Dues Transmittal Program through which the majority of membership dues are received and processed. Locals or school districts complete a transmittal form (pre-coded with the local information) which will accompany their monthly dues warrant. Payments are then remitted to the designated post office box, resulting in more timely receipt of deposit. Use pre-addressed envelopes provided.

Remittance instructions are as follows:

Payments remitted to CTA will need to include the 4-digit "**LOCAL ID**" on all checks. A set of pre-coded transmittals with your Local ID and Local name is provided to each local/district. With each remittance, complete one of the transmittal forms by coding the total remittance amount in the space, "**Enter Amount Enclosed**". If you are sending *more than one* warrant, the total of all warrants should be entered in that space. Refer to sample below.

See next section for details.**

Use the comments line to provide us with any information we should be aware of or to request additional materials.

All locals/school districts will receive instructions and forms in August, prior to the September payroll deduction. If you have questions or concerns, please call the Membership Accounting Department.

SECURE TRANSFER OF MEMBERSHIP DATA TO CTA

The California Teachers Association has implemented a secure File Transfer Protocol (sFTP) method for the electronic transfer of employee data from the District to the Association. CTA is encouraging district enrollment in this process to help safeguard the transmission of member data.

Collecting and transmitting electronic data greatly improves the efficiency and reliability of the data found in the Association membership tools. If data files are currently sent via email attachment to CTA, uploading files to a sFTP site is the preferred way to securely transmit member data.

Please contact your CTA Membership Staff for additional information or to enroll your chapter and/or district in this secure upload process.

NAME AND ADDRESS CHANGES

Inaccurate addresses are costly to CTA, NEA and the local and may cause an interruption of publications and other services to members. We encourage you to provide CTA/NEA timely notification of name/address and other data changes which affect your members.

Chapter leaders and representatives can update member contact information directly in the CTA 360 and CTA 360Pro Association tools.

The Membership Chairperson can also apprise CTA of changes through notations made on the rosters sent in November and March.

MATERIALS REQUESTS

Printed forms and supplies can be ordered through the CTA Membership Accounting Department. Complete the [Membership Materials Request Form](#) on CTA.org/membership or scan the QR code:

MEMBERSHIP ROSTER INSTRUCTIONS

INSTRUCTIONS FOR UPDATING MEMBERSHIP ROSTERS

During the membership year, rosters will be sent to the local chapter for update and return (see timelines on page 2). If corrections are made via CTA 360 or CTA 360Pro, physical rosters do not need to be returned. If corrections are noted on physical roster only, corrections should be made as follows (see sample on page 25).

1. Review the roster for accuracy, making sure all changes have been noted.
 - a. Make **all** corrections in space provided near information to be updated.
 - b. **Do not write over any of the existing printed information. This must be kept legible for data entry purposes.**
 - c. Write changes in red, or any color ink or pencil that will stand out.
 - d. To remove someone from the roster, write “**DELETE**” in the center of the roster and the reason for deletion. **DO NOT CROSS THROUGH MEMBER NAME**. Ideally, the effective month of deletion should also be included. Please refer to page 14 on membership cancellation.
 - e. To add a member, send a completed enrollment form to CTA or have the potential member enroll online at Join.CTA.org. If an enrollment form has been provided previously and the member does not appear on the roster, send a copy of the enrollment form retained by the local or contact your CTA Membership staff person.
 - f. If adding NEA-Fund for Children and Public Education, CTA/FACT Disaster Relief Fund, or scholarship fund contributions, send the CTA copy (top copy) of the authorization form. If that copy has been provided previously and the contribution does not appear in the member's record on the roster, send a copy of the authorization retained by the local.
 - g. If your local has changed its local dues amount from what is reflected on the cover letter, which was provided with your roster, please send a memo to that effect when returning your roster. It is not necessary to correct every individual amount on the roster itself.
Important: Be sure to notify your district payroll department and Membership Accounting of any change in local dues.
2. When returning a roster to CTA listing individuals paying cash, please include a check made payable to CTA to cover all cash renewals no later than the end of October to ensure that members renewing continue to receive CTA/NEA services. Renewal payments and enrollment forms for members switching from cash to payroll deduction can be sent without the roster by utilizing the membership transmittal form (see page 21).

DIGITAL MEMBERSHIP CARD

The digital membership card works the same way as the physical card members receive. They can continue to use either card to get access to a variety of benefits and programs to enhance their life and career.

CTA sends an email to all Active Members at the beginning of each membership year. Once members receive CTA's email, they can simply follow the prompts to download or save the CTA digital membership card to their Apple Wallet, Google Pay, or as a photo on any mobile device.

If a member cannot find the email or has a need for a new card, here's how you can request a new CTA digital membership card for your members:

- **CTA 360 users** - navigate to the member's individual profile and click the "Membership Card" header and tap 'New Request'. Complete the form and an email can automatically be sent to the individual's primary email address with instructions to download their digital card.
- **CTA 360Pro users** - navigate to the member's individual profile and click "Card Request". When the card request window appears, click the "Send Digital Membership Card" button at the top. An email will automatically be sent to the individual's primary email address with instructions to download their digital card.

The NEA Fund For Children and Public Education

The NEA Fund is the National Education Association Fund for Children and Public Education. The contributions received from NEA members are used to fund candidates for public office who support quality public education.

The NEA Fund Council consists of representatives from every NEA state affiliate. It meets throughout the year to decide which candidates to endorse and to determine campaign funding. In California, CTA endorses candidates recommended by locals from the electoral district. Candidates are interviewed by teachers to determine where they stand on education issues.

Suggested contribution to the NEA Fund is \$50.00.

TRANSMITTAL OF THE NEA FUND CONTRIBUTIONS

- A. Individual NEA Fund contributions of more than \$50.00 must be received by the CTA Membership Accounting Department within 5 days of receipt by the Local, Service Center Council, or any person collecting NEA Fund contributions.
- B. Individual NEA Fund contributions of \$50.00 or less must be received by the CTA Membership Accounting Department, within 15 days of receipt by the Local, Service Center Council, or any person collecting NEA Fund contributions.
- C. Contributions transmitted must be accompanied by a copy of the appropriate form (enrollment or supplemental authorization).
- D. The NEA Fund payroll contributions that are commingled with dues money must be separated and deposited into an approved NEA Fund account. Therefore, all locals which received payroll deductions from the school district for remittance to CTA **MUST IMMEDIATELY** remit the money to the CTA Membership Accounting Department upon receipt from the school district. The Membership Accounting Department will separate the money immediately and deposit it in the NEA Fund account. NEA Fund contributions may not remain with dues money in an account that earns interest of any kind for the Association for even one day.
- E. Guidelines for local associations who conduct The NEA Fund drives/campaigns are available through the Governmental Relations Department.

Please Note:

Because of FEC (Federal Elections Commission) regulations, NEA Fund contributions not transmitted within the specified timelines become "soft", that is, the funds cannot be used for political contributions, only for administrative purposes (postage, stationery, etc.).

Contributions to The NEA Fund are voluntary; making a contribution is neither a condition of employment nor membership in the Association, and members have the right to refuse to contribute without suffering any reprisal. Be sure to keep the Local Chapter copy of the payroll authorization for your records.
5. The Member Copy is given to the member for his/her records.

VOLUNTARY DUES CONTRIBUTION

In June 2008, CTA State Council approved a \$20 voluntary dues contribution to support CTA advocacy efforts and CTA foundation activities which provide scholarships and grants to members and their children as well as supports the Institute for Teaching. The CTA Foundation for Teaching and Learning is the Board approved name of the foundation. The voluntary dues contribution is a component of the CTA dues. Active members contribute the \$20 at each respective dues category. Members may elect to opt out of all or a portion of the \$20 by requesting a refund. Existing members may elect to redirect or opt out by November 1st each year. Members will not need to repeat the election process each year but can change their election each year. New members will have 30 days from becoming a member to make an election regarding the voluntary dues amount.

More information regarding the \$20 voluntary dues contribution will be available in the September California Educator magazine as well as online at cta.org/voluntary-contribution. Members can download the Voluntary Contribution Change Form through the CTA website.

Questions may be directed to your CTA Membership staff person or to membership@cta.org.

CRISIS ARBITRATION FUND

For chapters that have a provision in their contract for binding arbitration of grievances by an outside neutral party, CTA will provide up to 50% of the chapter's share of the arbitrator's fees and cost of the transcript up to \$2,000 per arbitration as long as the chapter category I dues level meets the CTA procedural requirement. Under extraordinary circumstances due to a lengthy hearing or complex grievance up to an additional fifty (50%) percent of the chapter's share but no more than \$1,500 is authorized to be allocated.

The CTA Arbitration Participation Fund procedures state that the chapter must have a local dues (includes UniServ dues) level of at least 30% of the previous year's CTA dues rounded down to the nearest \$5.00. The rationale behind the minimum dues requirement is that locals should have dues set at an amount that will allow them to accumulate reserves to cover the cost of arbitrations, since that is a responsibility of the locals as the bargaining agent. UniServ and CCA dues are also included as local dues in the calculation.

The following is an example of the calculation that locals should use to determine the required dues level:

For fiscal year 2024-25:	<u>Certificated</u>	<u>ESP (Category 3)</u>
Prior Year (2023-24) CTA Dues	\$ 786.00	\$ 211.50
Less Advocacy/Foundation	- 20.00	
Less Initiative Fund	- 36.00	
Less Media Fund	<u>- 16.00</u>	
 Applicable CTA Dues	 \$ 714.00	 \$ 211.50
Multiplied by	<u>30%</u>	<u>30%</u>
Minimum Local Dues Level	\$ 214.20	\$ 63.45
Rounded <u>down</u> to the nearest \$5:	\$ 210.00	\$ 60.00
Board Approved Amount at	\$ 180.00*	\$ 55.00*

In general, this does not apply to a grievance procedure which contains a "loser" pay provision.

Also, please be advised that there is no minimum dues requirement to qualify for Crisis Assistance Funding. Please refer to the CTA Policy on Crisis Assistance for further information.

*June 2020: CTA Board of Directors held the annual increase for 20-21 Crisis Arbitration minimum at \$180.00/\$55.00.

April 2021: CTA Board of Directors held the 2021-22 Crisis Arbitration minimum at \$180.00/\$55.00.

May 2022: CTA Board of Directors held the 2022-23 Crisis Arbitration minimum at \$180.00/\$55.00.

March 2023: CTA Board of Directors held the 2023-24 Crisis Arbitration minimum at \$180.00/\$55.00.

March 2024: CTA Board of Directors held the 2024-25 Crisis Arbitration minimum at \$180.00/\$55.00.

The CTA Membership Drop Process Toolkit

What is a Valid Membership Drop Request?

A written request to drop Local/CTA/NEA union membership must be submitted to the Local Chapter President by the individual wanting to drop their membership. The request can be made only by the individual member on their own behalf. The request may not be made over the phone or by email.

The written letter request to drop membership must include:

- Stated Formal Request to Drop Membership
- Member's Full Name: First and Last
- Home Address
- Name of Local Chapter/Union
- Date
- Original Signature (photocopies of signature are not acceptable)
- CTA Membership Identification Number (optional)

Delivery:

Letter must be delivered to the Local Chapter President via U.S. Mail or personally by hand delivery. (Chapters may also designate a local chapter office with staff to receive the document.)

Drop Process Timeframe:

Reasonable efforts should be made to process valid drop requests within 15 working days after the request is received by the Local Chapter President. (See 'Steps to the Drop Process')

General Steps in the Drop Process

Initial Interaction:

Member notifies RRC/UniServ/CTA Headquarters/Site Representative via phone, text, in person, or via email that they would like to drop their CTA membership. Whoever receives the call, text or email confirms membership and maintenance of dues anniversary date if applicable. The member is informed that a drop request must be sent by U.S. mail or hand-delivered to the Local President or dropped at local chapter office if designated by the Chapter. *Notify Local Chapter and staff that a member inquired about dropping.*

Valid Drop Request Delivered:

Member provides a valid drop request to the Local Chapter President via U.S. mail or hand-delivery or by dropping it at local Chapter office if designated by the Chapter. For a drop request to be valid and processed, it must include a stated formal request to drop membership, member's full name, home address, name of local, date, and original signature.

15 Working-Day Processing Timeline Begins:

Notification to Local President and contact logged at CTA office, and the 15 working-day processing deadline begins.

Have Organizing Conversation with Member:

Identify the most compelling person to hold a one-on-one conversation with the member. Conversation can be done by any leader or member. The benefits of collective bargaining and advocacy should be discussed, and all the member benefits that will be lost should be shared. Utilize voluntary termination or recommitment forms in asking the member to reconsider. Be sure to listen, try to directly address the member's concerns, and document the reasons.

Completing the Request:

The member will either agree to rescind the request to drop or will want to go through with it. Either way, the ultimate decision to stay or leave the union should then be shared with the RRC, UniServ and CTA Membership Department. In the case of a drop, send the drop letter, drop reason, and verification of conversation to CTA Membership Accounting for final system updates and formal confirmation back to the individual and district.

See the Drop Scenarios for specific steps in the process.

Answering Questions About the Drop Process and Maintenance of Dues

How do I drop my membership?

We encourage you to maintain your membership. Our effectiveness in bargaining fair and just salaries, benefits, and working conditions is directly related to member support and the power we have in our collective voice. Increasing funding to public schools, reducing class sizes, and ensuring that professional rights such as due process and permanent status are protected are direct results of the important work we have been able to accomplish because of a united CTA membership.

If you still decide you'd like to drop your union membership, you just need to put your request in writing. The letter will need to be mailed or hand-delivered to your Local Chapter President. The letter must include a stated formal request to drop membership, your full name, home address, local chapter name, date and original signature. If you happen to have your membership ID number, that would be appreciated. We have many members with the same or similar names, and we need to be sure that we are responding to a request from the correct member.

When can I drop my membership?

Members can drop their membership at any time. You just need to put your request in writing. The letter will need to be mailed or hand-delivered to your Local Chapter President. The letter must include a stated formal request to drop membership, your full name, home address, local chapter name, date and original signature. If you happen to have your membership ID number, that would be appreciated.

Does this ruling mean I can I drop my membership and not pay dues?

You could, but that would be exactly what the forces behind this court case want. The corporate special interests, billionaires and politicians want to weaken the ability of working people to come together in unions to negotiate on behalf of their members and, in our case, to stand up for our students and for public education. It's part of a broader scheme to rig the system against working people.

Would I get the same benefits if I did drop my membership?

No. You immediately lose any voice in your union and the right to vote on the contract. The union would still negotiate your salary, benefits and working conditions, but you would have no say in those discussions. You will also be ineligible for all the benefits that come with membership, including a \$1 million personal liability policy, legal services, access to teacher-led professional development, and membership discounts on insurance, entertainment, and travel.

When I drop my membership, are my dues automatically stopped?

This depends on if you have signed a membership form or commitment card that includes the maintenance of dues provision. If there is no maintenance of dues provision, then yes, your dues automatically stop. If you agreed to maintain dues annually, then you must also notify the California Teachers Association to stop dues payments. This can be done not less than 30 days and not more than 60 days before the member's annual anniversary date by mailing a written notice to CTA Member Services in Burlingame. The written notice must include the member's full name, address, local chapter name, authentic signature and date.

So, I dropped my membership — how do I stop paying continuous annual dues?

This can be done not less than 30 days and not more than 60 days before the member's annual anniversary date by mailing a written notice to CTA Member Services, P.O. Box 4178, Burlingame, CA 94011. The written notice must include the member's full name, address, local chapter name, authentic signature and date.

How do I know my anniversary date?

Your anniversary date is the date you joined CTA. You can get that information from your copy of the CTA Enrollment Form or by contacting your local chapter or CTA Member Services.

What does not less than 30 days and not more than 60 days before my anniversary date mean?

It means any member who has dropped membership can also stop their continuous annual dues payment in a 30-day window about a month before their anniversary date. For example, if you joined CTA on August 15, you can revoke your annual dues any time between June 16 and July 16.

Why do I have to drop membership and dues payments separately?

The maintenance of dues provision is a common practice used in many unions, many organizations and service agreements, and allows the union to provide ongoing support to its members and budget accordingly. It works similar to a gym membership. You join for the entire year and agree to pay for the entire year. You can choose to stop going, but you are obligated to pay for the entire term of the membership contract. Many unions only have a short window of time, such as a five-day window, to revoke dues for the following year. CTA gives members 30 days.

Conversation Guidance for One-on-Ones

With the *Janus v. AFSCME* decision, CTA is at a critical point in our history. Our success in staving off this unprecedented attack on our Association and all it does for our members is dependent on personalizing the experience of being part of the Association. When members want to drop their membership, it is critical that we find the right person to talk to them about their decision. It's easy to say no to a nameless/faceless person. It's hard to let down those you care about.

LEA/CTA/NEA:

Use the **Voluntary Termination of Membership Rights and Benefits Form** and the “Member vs. Nonmember” flyer to guide the member through all that they lose when they terminate their CTA membership. Use your personal knowledge of the person to highlight the parts of the form that would be most persuasive to them. Stress throughout the conversation that being part of the union is how we fight together for a better profession, wages, benefits, and working conditions.

Listen to concerns:

Listen to the concerns of the member. Be patient and kind. Do **NOT** attack or belittle the member. Try to pinpoint why the member is dropping. Use the “Answering the Tough Questions” Guide to counter the various reasons why they want to drop their membership.

Conversation Style:

It is important to be yourself and keep your conversations earnest. The “Feel, Felt, Found” conversation is an effective one-to-one conversational frame for dealing with objections or hesitation on the part of potential members. If you approach a potential member with an invitation to join your local association and are met with “I really don’t see any reason to join,” use the following conversational frame to keep the conversation going:

FEEL *“I know how you feel.”*

“Hey, I get it. I never gave unions much thought either. I guess I thought I could take care of myself in just about any situation.”

FELT *“I have felt the same way myself.”*

“In fact, I was pretty resentful when a union rep convinced the principal that I wasn’t experienced enough to handle an upper-grade class.”

FOUND *“But I found that...”*

“It turned out, though, that the union really helped when I had a payroll dispute with the district. When the district refused to place me on the correct salary step, the union hired a lawyer and the district ended up owing me a lot of money for back pay.”
